Exchanged News from Other Bulletins

de: North Eastern DX Bulletin-John, W2DGW Editor
Now on: ZD9AM every Tuesday es Thursday mc'ed by either ZS1OU, ZS1RM,
or ZE8JJ.

"While FF8CW was on over the weekend, there were several occurences of impatient dxers who insisted on continually calling even while FF8CW was in a qso with someone. This type we have become to expect to make an appearance when ever a rare one appears. Today, I was informed of two happenings that mekes me ashamed of my fellow dxers. ZD2KHK appeared at his usual time and the boys really clobbered him. one in particular, W8P--, who is not only on the DXCC honor roll but, has also been an ARRL official for a long time; continued to call and call (as he had been doing since ZD2KHK first appeared) even thru whole qsos that ZD2KHK was attempting to make. The qrmng was so bad that ZD2KHK was forced to go qrt but not before he had the opportunity to say that the W/Ks were nothing but a bunch of pigs (his words-not mine). Whether or not ZD2KHK works another W/K remains to be seen. If he doesn't-I can't say I blame him. When the average dxer calls while the dx station is transmitting, we just curse him under our breaths and he is soon forgotten. When an honor roll member like this W8 does it, time and time again, we wonder what significance the honor roll actually has. Another report was received today about another incident. During the ZD9AM sked, one individual who wasn't in time to make the list became so upset that he described Marge-ZS1RM- in terms that are usually applied to a female dog. Now this type of thing is unpardonable. we must rid the bands of this

type of individual or our hobby will die. Only one thing impresses these fellows and that's the loss of their license. This requires a written complaint to the FCC with full details of the incident and some proof, such as a tape recording. Now, one wants to be a "tattletale", but in this case, you would be doing ham radio a favor."

to W1JYH

Many thanks for your letter along with IRC's which I am now using for postage. It is a thrill to work your country; so generous and helpful-as you know, I started this hobby in 1953 but have no time to be on the air as I wanted to be. I am always on tour going and moving here and there. I started with a small set of BII and now I am using home made 500w transmitter and my rx is a BC 348 which I have converted to mains operation. We have no electricity here but I am using an ONAN engine, 2.5kw. My antenna is a dipole, but I am using a very good feeder wire which was for a television set. Signed- N. Chhawna-AC5PN, Dechen-Chuling, Thimpu, Bhutan; via Bhutan House; P.O. Kalimpong, India. Roger sends along a little note stating that the letter was sent from India and the Indian stamps which he obtained from W2SAW were used.

Another letter from AC5PN was received by W2HMJ. Here, AC5PN stated that he had recently had a qso with AC4AX-no less. AC4AX is active from Tibet. His hamming appears to be undercover and if you wish to write to him; make sure the letter is sent via India and NOT via any of the iron curtain countries, such as China. AC5PN also stated in his letter to W2HMJ that his brother-in-law, ex-AC3SQ, will soon be on the air as AC5SQ.

FINAL QRT

The following Amateurs have recently passed away. They were all avid DXers and will certainly be missed in the "pile-ups".

W2CGJ, Fred, DXCC #120. Passed away the end of December.
 W2GVZ, Pat Jessup. Pat died of a hemorrhage Jan. 8th.
 W4FU, Bert, died of a heart attack at work.
 W8YIN, Mickey.
 KP4KD, Ev, recently. He gave many hams their first KP4 contact.
 UR2AR
 ON4GM, he will be sadly missed in the fone contests.

Don't forget, info for BULLETIN must be in by the last Saturday of month.
 Send to Editor, 5431 Santa Rita Avenue; Garden Grove, California.

Odds and Ends From 1-5-61 Meeting

de: W6PUY

ZD2KHK 20m cw 14,085 1-2-61 0845pst (easier to work if ur a "G".)
FF8CW " " 070 " 1745pst.
Heard a DM2 signing /3A2, 1-4-61 14,020 cw.
Heard a ZL calling DM2IT/HZø-----What's that???

de: Ray, W6BUD

Gene Koulsh, W6QVN, was in the hospital just prior to Christmas. he had his ulcers cut out. He is getting along fine now and will be back to work on Jan. 9th. He had fun working DX while convalescing.

Wendell, W6FOX SUGAR JERK, had a fire in his GSB-100 exciter. Seamed the life out of the family. They thought that everything in the radio room was on fire. Gonsett rewired the exciter and it works like new again.

de: John, WA6EYP

Each day CT2AH on 14,277 ssb at 2015z
VU2NRM expedition leaving India Jan, 16th. for Laccadives. (Overheard W7PHO)

de: Jim, W6RKP

CP5EA 14,345 ssb at 2330z Jan. 4th.

de: Wint, W6MBA

Due to a "tummy ache" Ray, W6BUD, has not been able to get his 30ft. "monster" up on the tower.

de: Don, W6AM

"Worked 14060 ZD2KHK/NC. He finally has the idea and works stations 5 or 10 kc up or down.

FF8BF, Dakar, worked on 21 meters cw. Excellant op. FQ8HW wants a QSL manager, prefers French speaking.

VQ9TED left Jan. 5th. for four islands; Farquhar, Contivey, Aldabra, and Admirante. MP4BBW will be MC part of time.

ZC4AK on SSB was worked, he thinks the 99 miles square miles held out by Great Britian, and never given to the Cyprus Republic, is different, and more positively a country, than Guantaman Bay, which is leased."

de: ?????

W6HS completes 7000 mile "Train Mobile" throughout U.S. and Canada. Our ex-president Art, W6MUB/4 is on 14050 from Pensacola with an in-door antenna and a real good S-5 signal.
